Dear Friends in and around Vinay,

Our Lady's immaculate blessings are bound to fill you on 8 December and the following day. And 4 days after that, on 13 December Saturday evening, those blessings will tangibly coalesce into a get-together of all those neighbouring each other: Divya Jyoti, Shradhaseri, Canossa, and the Jebbies in Vinayalaya (Community, Infirmary, Juniorate), Snehasadan and Holy Family.

These pre-X'Mas days are very busy for everyone but the 'Big Bosses' of all the above houses will do their level best to see that all in their Community are present at the close-by St. Xavier's Campus (Shilpalaya) during 6:30 – 8:30 pm—just this short while, but it will be loaded!

Demelza D'Souza and her son Ethan, along with Fr Sean Cardozo, will organize a delightful program to warm up our voices with singing, games, following with good wallop and guzzling. A Kahoot quiz will engage our minds with a bit of light-hearted challenge. Captain Vincent Fernandes, the Head of Stripes, together with his team (also present on campus), will assist us with the simulators used by the captains for their training. Here's to an evening filled with good cheer and memorable moments—let the fun commence!

We are not too far from our big day and so I request the 'Big Bosses' to inform as soon as possible how many will be coming from their Community through an RSVP to Pragati on her WhatsApp number 99679 62042

If it snows on the 13th, SANTA will not be yet available on his sledge but, don't worry, our Buggy will bring you and then take you back.

There, to welcome you most warmly,

Albert Menezes, SJ

Administrator
